2013 WALK SITE: *Tulalip Amphitheatre*

DATE: *July 13, 2013*

REGISTRATION START TIME: *9:00 AM*

EVENT START TIME: *10:00 AM*

CHAPTER: *Washington Chapter*

Why We Stride

In 2012, nearly \$40 million was raised to help support life-saving research, quality care, and education programs. Real progress toward a cure has been made, but the lives of young people with CF are still cut far too short. We urgently need the public's continued support to fulfill our mission and help extend the lives of those with the disease.

About Great Strides

Walk today. Add tomorrows. Great Strides is the Cystic Fibrosis Foundation's largest national fundraising event. More than 250,000 walkers come together each year as one community for one cause...to help find a cure for CF. Thank you for your interest in Great Strides. We're looking forward to a great event in 2013! Each year, Great Strides continues to gain momentum, as do our research efforts and progress toward a cure.

Important Mentions!

**QUIL CEDA VILLAGE
COUNCIL MEETINGS
ARE HELD EVERY
3RD TUESDAY
OF THE MONTH.**

Chairman:

Boom City SWAP MEET

THE SWAP MEET WILL
RE-OPEN AFTER THE
FIREWORKS SEASON ON
JULY 13TH & 14TH, 2013

Customers can expect to shop and browse over 200 vendors, along with many options of food vendors to choose from. The cost is \$1 per person to get in the gate, but a carload is only \$2. Children under 12 are free and senior discounts apply.

Vendors can call Terry Sue at 425-359-3864 or if you prefer email, its manager@boomcityswapmeet.com for more information. New or existing vendors can always show up every Friday to sign up from 12:00 PM - 4PM or ask questions in person. Also for more information you can go to www.boomcityswapmeet.com

The Boom city swap meet is ran by an independent tribally owned company who leases the property from the Quil Ceda Village. It's located at the Boom city fireworks site in Quil Ceda Village.

New Tulalip Resort Casino Restaurant

"Coming in Mid August 2013 is our new Asian dinning outlet. Journey's East will be a unique multi-cultural venue featuring an authentic menu with popular dishes from the Far East regions of China, Japan, Korea, Thailand, and Vietnam. There will be hand-made noodles from a demonstration kitchen; a Sushi Bar with the freshest ingredients, Pad Thai, Pho', and many other authentic dishes that make Journey's East THE Asian cuisine venue of choice in Washington state! The décor, ambiance and setting of Journey's East strike a tone of sophisticated, modern Asian décor blending calming bamboo, soothing water, and striking origami structure and visual artistry. Technology will also be featured in this venue with take-away ordering right from the casino floor, or the table games pits; as well as a touch screen menu panel for walk-up ordering at our 'Quick Trips' take-away window!

Whether you're a novice to Asian cuisine, or an experienced traveler of the Far East, you'll find the offerings at Journey's East to be an authentic multi-cultural experience of culinary delight."

Sam Askew, Tulalip Resort Casino, General Manager.

Steve Gobin Retirement

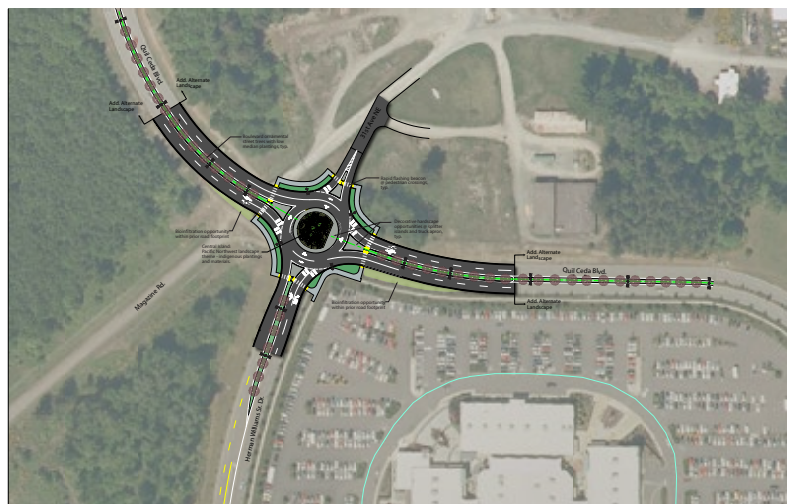

As of July 4th, 2013 Steve Gobin has officially retired as the Quil Ceda Village General Manager.

After 23 years of continuous service with the Tulalip Tribes, he is looking forward to spending time with his lovely wife, children and grandchildren.

He is hoping for a healthy dose of fly fishing at his favorite spot the Skykomish River!

New Roundabout in Quil Ceda Village

TULALIP TRIBES
Quil Ceda Blvd. & Herman Williams Sr. Dr. Roundabout - Conceptual Design

If you've ever tried to exit Herman Williams SR drive and cross over into Quil Ceda Village Boulevard then you will understand how exciting it is to have a large roundabout coming to town. Roundabouts cost less to maintain than stop lights, and in addition WSDOT controls any signals we put up. Quil Ceda Village has an astounding, 53,650 cars that travel through it on a daily basis. Compare that to the 18,000 that drive on Marine drive past QCC!

Because of the large number of vehicular accidents and high traffic volumes it will

help improve the traffic congestion and safety in the area. The two lane roundabout will be constructed while maintaining traffic through the intersection and provide the safe movement of pedestrians. There will still be a gate across the road going into the construction training area.

We will continue to use energy efficient measures like LED street lights and traffic counters. The pedestrian crossing signals will also be solar powered. Construction will begin on or before July 8th with substantial completion planned on or before October 15th, 2013, just in time for the onslaught of holiday shopping customers to our area.

Tulalip Amphitheatre Summer Concert Series 2013

Tulalip Clinical Pharmacy

The Tulalip Clinical Pharmacy has a new generator. The Generator will now restore power to the pharmacy during any outage that our weather tosses our way. Power will stay on assuring the safety of our employee's and medicines. Medicines that require refrigeration or are temperature sensitive like vaccines or injectables; like a variety of insulin's will maintain its usability, saving us between 10,000 and \$20,000 a year. The Generator also puts us in compliance with the Snohomish County Disaster Team assuring that we have safe medicines always on hand for emergencies.
